

DermaQuest Skin Therapy offers professional skincare products and prescriptive facials tailored to each individual skin type needs. The facial treatment and retail products penetrate deep into the Epidermis to restore, smooth, plump and heal the skin. An advanced treatment suitable for all ages and skin types offering outstanding results.

Benefits of a DermaQuest facial include:-

- Supports prevention of free radical damage
- Promotes collagen production
- Clears acne and eliminates congestion
- Provides a smoother skin surface
- Improves the appearance of fine lines and rough textures
- Helps to even skin tone and lighten skin pigmentation

Pumpkin Peel Resurfacer Treatment

Incorporate your skin with a vitamin boost. This multi-layer treatment will help to restore health and brightness back to the skin while rejuvenating and smoothing out fine lines and wrinkles. The Pumpkin Peel Resurfacer Treatment will also reduce minor concerns of breakouts and blocked pores leaving skin looking youthful and radiant.

The Pumpkin Peel is formulated with Glycolic Acid, Lactic Acid, Salicylic Acid and Pumpkin Pulp essential for Age Management and Acne Care. A patch test is always carried out prior to any treatment.

MangoBrite Resurfacer Treatment

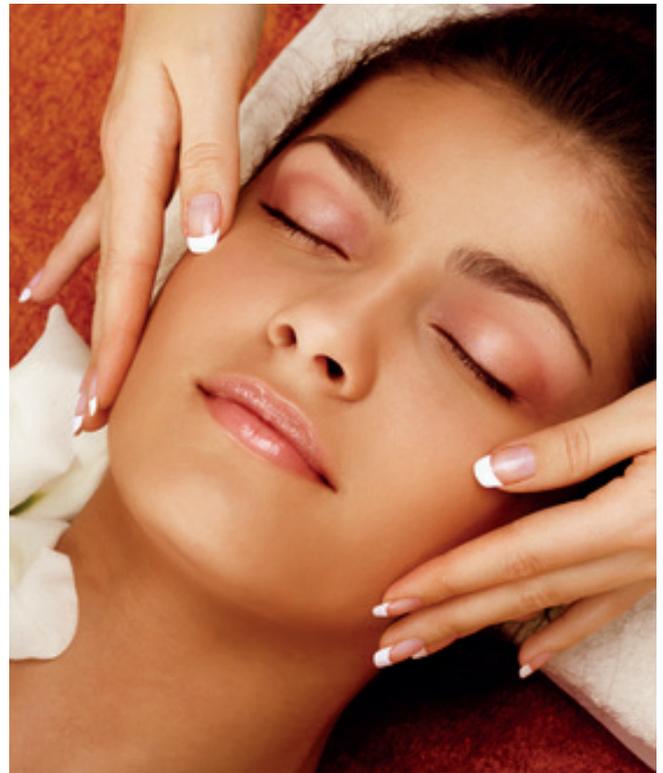

MangoBrite is an excellent treatment for age management, pigmentation and adult acne. Rich in Enzymes and Vitamin C, Mango Pulp and Orange Stem Cells gently exfoliate and brighten the skin. Performance ingredient, Lactic Acid increases hydration and improves skin texture while Kojic Acid reduces the appearance of dark spots and pigmentation, giving the skin an additional brightening boost. The MangoBrite Resurfacer Treatment will brighten, hydrate and nourish your skin.

AgeDelay – Glycolic Resurfacer Treatment with Stem Cells

This unique treatment blends powerful Stem cells with natural acids to give the ultimate age delay treatment. As we age our skin becomes delicate and loses its natural support and collagen production. AgeDelay with Stem cells will increase the natural collagen production, strengthen elastin and plump out tired looking skin while tightening and brightening on the surface.
